As a creative, artistic, and ambitious individual, I possess a natural talent for thinking outside the box and generating innovative ideas. I am skilled at collaborating with others to achieve specific objectives within set timelines and with exceptional results. My work ethic is relentless, and I strive to ensure that all tasks are completed to the best of my ability. I am adaptable to new technologies and have a keen interest in cross-cutting issues such as sustainability, resilience, and climate change. My ultimate goal is to advance my knowledge and expertise in the field of Urban and Regional Planning and to contribute to the development of educational technology projects from inception to completion. Above all, I am driven by a desire to expand the height of the mountain of knowledge, thus providing future generations with a more accurate view of the world around them.

## EXPERIENCE

PurposeBlack Ethiopia (September 01, 2022 - Present)  
Junior Project Officer

I provide essential support to senior project managers in planning, implementing, and monitoring projects. I conduct research, analyze data, and prepare project reports, ensuring that all documentation is organized and up-to-date. Additionally, I contribute to the development of project budgets and timelines, follow project plans, and strive to meet project objectives.

**To Whom It May Concern:**

It gives me a great pleasure to write letter of recommendation to **PENIEL KEBEDE BEYAMO** whom I have known as a student in the Department of urban and regional planning, under the faculty of civil and built environment at Hawassa university institute of technology between 2017 and 2022.

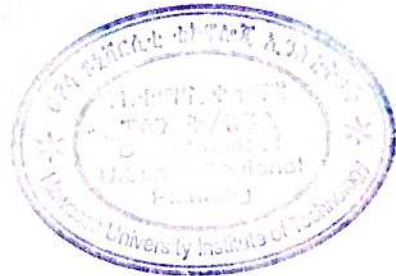

I Know **PENIEL KEBEDE** as department head and his instructor for the course of planning and design of urban and regional node as one of the best student with hard working capability, excellent communication skill, regular attendance and very good academic performance. He had active participation in the project work and has accomplished his task with excellent result. Moreover, he has attained successfully both theoretical and technical planning/design notions needed for planner.

I strongly recommend **PENIEL KEBEDE** for his future in however way he plans to pursue it, I trust in him and believe he will be more successful in his future. His further pursue in education and professional work will serve as an asset to our country.

This is my great pleasure to give this letter, wishing him all the best in his future endeavors and for further information of any sort contact me.

**Letter of Recommendation for Peniel Kebede**

**To whom it may concern**

I have thought Peniel as his instructor of urban structure plan Project and as his thesis advisor during his time as Urban and Regional Planning student at Hawassa University.

As his instructor and advisor, I have had an opportunity to observe his participation and interaction in class and to evaluate Peniel's knowledge of the subject matter. He is an outstanding student in all aspects. Peniel has proven that through hard work, follow through, and team work, he can accomplish tasks in a polite and timely manner.

I was pleased with his performance during thesis writing as well as his assignments. Peniel has proved to be quick at understanding concepts and implementing them effectively in practical situations. He also has excellent communication and organizational skills; he is able to successfully complete multiple tasks with favorable results despite the deadline pressure.

Peniel is a hard-working student and very motivated to achieve his goals. He is open-minded, attentive to details and has a positive attitude. Peniel's communication and English language skills are of a high level.

Beside the above-mentioned characteristics, Peniel is a person who is able to present creative ideas and innovative solutions. He is a responsible student, who is willing to find out more information on the topic he is interested.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Yours sincerely

Muktar Husein (MSc.)
